10TH GALA

Time Just Flew And We Entered Our Double Digit Of Passionate Service To Humanity!

It feels like yesterday when we all came together with a humble thought of helping the community around us, and here we are here celebrating our decade of service. It wouldn't have been possible without you!

Founders

Paresh, Flora & Dr. Harshil Parekh

We truly exemplified like minded togetherness and service, making a huge dent in the community. Together we served, showcased the proficient talent of several differently abled individuals with Autism, Down-syndrome, Cerebral Palsy, Asperger's, Epilepsy, Visually Impaired Conditions, Physically Disabled /Challenged etc. to help them achieve higher independence, self-sufficiency, and community inclusion. Thank You Donors, Committee, Sponsors, Supporters and well wishers.

THANK YOU ALL!

Together we have inspired & touched the lives of several!

TOGETHER WE CAN "MAKE A DIFFERENCE!"

"Social Awareness"

"Save a Child"

**My Dad ..My inspiration ..Kanjibhai Chauhan – A freedom Fighter,
Mahatma Gandhi's Follower for Lifetime, Hindi linguist ..who left
his legacy to us on April 20!**

Kanjibhai Chauhan left his high school when called upon by Mahatma Gandhi to join his freedom fight against United Kingdom – Britain. He participated in rallies organized and led by Gandhiji, worked as underground messenger to distribute and circulate news and events for freedom rallies ..from 1930 to 1945!

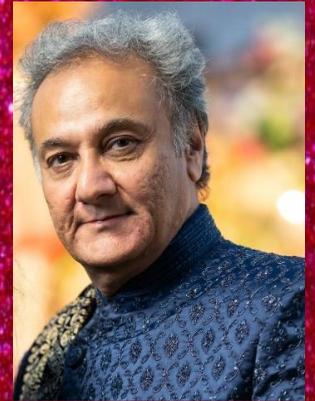

He was beaten and imprisoned for 6 months 3 to 4 times during the freedom fight for India. His quest for knowledge continued in prison and Hindi language also became his passion! After India's freedom he was asked to take lead on one of Gandhi's mission ..one language for all in India- Hindi. Kanjibhai was tall and handsome and he attracted crowds, being a great orator! He taught top level government officials, conducted Hindi exams as chief examiner of Hindi Prachar Samiti in Gujrat! His possession was 2 pairs of khadi kurta that he wore while going from village to village, school to school to complete Gandhiji's mission and we 2 daughters – Nina and me were his life achievement as he called it!

His contribution to Hindi was so remarkable that he was chosen by national Hindi committee along with known Hindi linguist Kakasaheb Kalelkar, Harivanshrai Bachchan and Siyaramsaran Gupt for National Hindi Committee! There are Hindi exams continued in India almost after 75 years since he started as chief examiner, there are debates that are still taking place for Hindi again inspired by him.. His teaching continues in many different ways. Today at his death Anniversary we salute our unsung Hero – Kanjibhai Chauhan

Rising Star & Philanthropist CFO, Dr. Harshil Parekh

Harshil has been a part of the Gift Of Life USA team since the organization's inception. He educates others, enjoys learning about the lives and work of the people supported by Gift of Life USA.

As he continues his journey pursuing Internal Medicine Residency, his passion to serve humanity is par excellence. Harshil has been serving as the Chief Financial Officer of the Gift Of Life USA team. Harshil is a hardworking individual who enjoys volunteering in social and academic organizations in order to spread positivity in the community. Harshil has been instrumental in helping spread awareness on mental and physical disabilities through media and speech, and has encouraged others to open their minds and hearts in order to gain better insight to these conditions. He volunteers as the "Master Of Ceremonies" for the Annual Gift Of Life USA Galas and shares the organization's knowledge and wisdom on a professional scale.

Harshil encourages people to attend our events and leave with the knowledge of how despite their struggles, people with disabilities can still overcome their conditions and accomplish great things in society.

"In the joy of others lies our own, In the progress of others rests our own,
In the good of others abides our own, Know this to be the key to peace and happiness"

BENEFICIARY, AND SPEAKER – KERRY MAGRO LIVING WITH AUTISM

Kerry Magro is an award-winning disability advocate, best-selling author of 3 books, movie consultant of 2 autism films, and a non-profit founder that has given over 35 scholarships for students with autism for college. Magro was completely non-verbal until the age of two and a half and was diagnosed with autism at 4 years old. These days, Magro travels around the country as a motivational speaker and disability advocate. His speeches have included two TEDx Talks.

In 2014, he received accreditation from the National Speakers Association as one of the only professionally certified speakers with autism in the country.

In the past 7 years Magro has talked at over 700 events about his journey on the autism spectrum. Those speaking engagements led to a stint in TV hosting his own local cable show called the "Different is Beautiful Show," which focuses on people who overcome adversity.

For his efforts Magro has been featured in major media and worked with amazing brands including CBS News, Inside Edition, Upworthy, BBC News, HuffPost Live, HuffPost, American Express, J.P Morgan Chase, NBA.com and much more!

I am an advocate for those with disabilities. I created my platform, The Ability beyond Disabilities, to inspire those that have challenges to strive for their dreams as well as to educate those who might not understand the challenges we face.

As an individual with Asperger's syndrome – a form of autism, I often felt like I could not do anything. People with disabilities or anyone who is different are often targets for bullies as I was, but because of my life and social experience, I have overcome many challenges.

Today I am the International Spokesperson for the Center for Autism and Related Disabilities at the University of Florida (CARD-USF), and was recently elected to their executive board of directors.

I was also named the Ambassador for the Unicorn Children's Foundation and work closely with this international organization to help people with neurodiversity.

I am a member of the International Thespian Honor Society, an honor student and vocalist and love to sing opera. I have been able to single at Madison Square Gardens twice.

I have a passion for art and writing and am currently finishing my first book and will work to get it published when its finished.

I also work with several organizations that provide services to individuals with disabilities including therapy such as occupational and physical along with music and art therapy and have made over 300 appearances with my international title.

My plan for the future is to graduate from the University of South Florida and one day open my own school for children with disabilities.

I also wanted to share some of the things that happened while I was growing up. I just turned 21 years old a few weeks ago but starting in preschool and elementary school things were much different. I was diagnosed with Autism along with dyspraxia and later diagnosed with dyscalculia, and epilepsy.

I can remember not being able to put enough pressure on a crayon to make a mark on a paper! Buttons zippers and snaps were a nightmare! It was very difficult to hold objects and jump and skip. I went through several years of physical therapy, speech and language therapy and occupational therapy which helped a lot. I still however cannot ride a bike, although, I haven't tried a 3 wheeler, and I am not able to drive. I passed my learners permit for driving but because of epilepsy and seizures I cannot get my license... yet! Hopefully one day but if not there are several ways to learn to get around. I joke with my parents that I am waiting for the Google car that drives itself!

Dyscalculia became an issue as math became harder. I am not going to lie it was exhausting getting through higher level math and took all the help I could get from teachers tutors etc. I am so happy to tell you I have

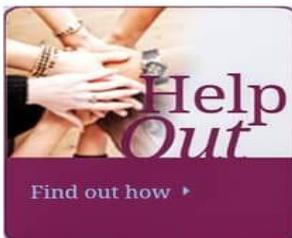

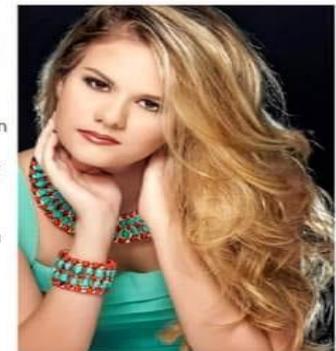

finished my college math courses and will definitely not become an engineer J

I am pursuing a career in writing English and vocal studies and love to sing opera. I am honored to meet everyone here on this website!

Thank you for your friendship!

BENEFICIARY AND SPEAKER – KETRINA HAZELL **LIVING WITH CEREBRAL PALSY – MISS WHEELCHAIR 2018**

My name is Ketrina Hazell, 24 years old, I have a disability called Cerebral Palsy I was diagnosed at 9 months old but that never stopped me from dreaming big, despite the hopeless future doctors and professionals expected for me as I grew up. I believe it's time for the education, health care system, business etc to see the potential of us people with disabilities even from a seated position. And hire us. I want to also become a certified teacher's assistant and plan on starting my own non profit organization so hopefully by being in this program they will help me get my goals accomplished.

During my time in college I majored in both liberal arts, disability studies and behavioral mental health. I have two years of college and is not finish yet.. Note that if this not happen does not mean my success story ends. I'm a self advocate for myself and others including families. I graduated from Partners in Policy making in 2014. I am a proud alumni of Youth Power which is an organization that encourages youth voices between two systems the disability and mental health systems to encourage youth as well as families to become advocates and for the families to teach their youth how to become advocates and for the families to encourage their youth to use their voices. I am a founder and President of my very own advocacy group called Voice's of Power. I have been on many fearless adventures such as adaptive surfing, flying a plane and skating.

BENEFICIARY AND SPEAKER – AUTUMN KINKADE LIVING WITH CEREBRAL PALSY

Hi, I'm Autumn Kirkade and I have Cerebral Palsy. I don't consider it a disability, but an opportunity to do God's work. To inspire other's and to bring awareness that I am able and we can all make a difference in the world. Cerebral Palsy does not define me. I am a model, motivational speaker and Philanthropist. Thank you for coming to my website to find out more about me and my cause.

BENEFICIARY AND SPEAKER – JOHN BAUMANN LIVING WITH PARKINSON'S

John Baumann was a high-powered corporate attorney and motivational success speaker until something happened to change his life forever and he took us on a journey through his life and Parkinson's disease. John created a connection with his audience right away as he told of his life before and after his diagnosis in 2002, and kept his audience rapt with his intellect and sense of humor.

Parkinson's is a part of his life that John deals with not only daily but sometimes hour by hour. Gone is the elite attorney star status that he enjoyed that led to luxurious travel, 5 star hotels, and sports and concert venues. Gone is the life of the very popular college professor. All stolen by the ravages of Parkinson's Disease.

He is a writer having published his book **Decide Success : You Ain't Dead Yet.**

Most of all, John likes to share encouragement about adversity, coping and succeeding in that space. Parkinson's may have stolen a lot from John along the way, but John isn't finished. There's that wry smile and a spark in John that says. Look at me, "I still have value." Or, as the subtitle of his book says, "You ain't dead yet!"

BENEFICIARY AND SPEAKER – NICK PADLO

VETERAN - LIVING WITH SUBSTANCE DISORDER, OCD SPEAKER

Nick Padlo is the CEO of Sophros Recovery, focused on helping individuals recover from substance use disorders (SUD) and co-occurring mental health issues.

Nick is a small business leader, entrepreneur, from Florida and received his undergraduate degree from the United States Military Academy (West Point), where he served as the Chairman of the Honor Committee.

After West Point, Nick served for 5 years in the United States Army, where he spent 27 months in combat operations between Afghanistan and Iraq, earning the Bronze Star and Combat Action Badge. He attended Stanford University for business school, and later went on to become CEO of an Inc1000 growth company. His move into substance abuse treatment is a result of his personal battle with depression, anxiety, and substance use disorder. After getting treatment himself, Nick defined his personal mission as helping others through similarly dark times. He believes that everyone can find their way back, regain their lives, and live a life free of suffering. Sophros was designed to be just that place, where clients across North Florida can develop a set of tools that can help them establish their own personal road to recovery.

Today, Nick is going to discuss major depressive disorders, generalized anxiety disorders and tie his experiences with OCD (Obsessive-Compulsive Disorder) and how these conditions are connected and frequently co-occur.

The race was started in 1980 by the Ronkonkoma Rotary.

In 1980 the Run Around the Lake was introduced with 35 runners on a certified Four Mile Course. In 2011, Dan Murphy, Father of Navy SEAL LT Michael P. Murphy, approached the Ronkonkoma Rotary to ask if we would team up with the Michael Murphy Foundation and use the race to honor and remember his son and the other men who made the ultimate sacrifice during Operation Red Wings. We accepted this honor and in 2012, the Navy SEAL LT Michael P Murphy Run Around the Lake was born. Approximately 900 runners participated and since that time we've added a certified Half Marathon course and grown to over 3600 runners in 2024. Over the years we've attracted many famous participants, including Taylor Kitsch, who played Michael in the movie, "Lone Survivor". Olympian Peter Peterson and Maria Michta-Coffey also ran our race. Mike Branigan, Paralympic Gold Medalist, set the course record of 19:52.0 in 2014.

Sanjana Iyer, a senior at Syosset High School, passionately embraces her Indian heritage. Since she was four, she's studied Bharatanatyam under Kalakshetra-trained Tatyana Popova through YICG, performing and competing widely. Now, she is channeling her love for dance into a Parkinson's research fundraiser, a cause close to her heart. Inspired by her grandmothers, she has also explored Carnatic music and excelled in piano and flute, earning NYSSMA distinctions. Dedicated to service, Sanjana has been involved with YICG's Games for Seva since fourth grade, contributing to game design and youth leadership. She now leads an outreach program with ReWild Long Island to promote biodiversity. She also works part-time as a cashier at Stellina's Bakery. Academically, she is a two-time DECA state finalist, a two-time speech and debate LIFA state qualifier, and placed second at the WAC Lighting Fair for a research project. She has presented college-level research at JSHS and NYSSEF and competed at HOSA ILC after placing third in NY state. Her induction into the Science National Honor Society reflects her academic excellence and passion for science.

Samyuktha Iyer, a freshman at Syosset High School. She started learning both Bollywood and Bharatnatyam since she was six years old. Continuing with Bharatnatyam under Tatyana Popova, a renowned Kalakshetra alumni,

Samyuktha nowadays takes her passion to a deeper level, entering in many competitions and performances all across Long Island.

In her school, Samyuktha is also a part of many activities such as HOSA, DECA and Speech and Debate. This year she qualified for States in both Speech and Debate and HOSA.

In her free time she works at Stellina's Bakery and Cafe as a cashier and attends Games for Seva, a program creating innovative games based on Indian mythology.

Over the summer she volunteers at Horseability, a camp for kids special needs and also shadows at Oyster Bay animal hospital.

Sarina Jain – Masala Bhangra

Revolutionizing Fitness Through Culture And Movement

Sarina Jain, a trailblazer in fitness and a dynamic cultural ambassador, has captivated audiences worldwide with her groundbreaking fusion of Indian dance and exercise. Her journey—born from personal tragedy and fueled by an unwavering passion for health and heritage—has led to the global phenomenon known as Masala Bhangra. For more than two decades, Jain has tirelessly championed Masala Bhangra, earning widespread recognition and accolades.

A true pioneer, Jain has produced 15 fitness DVDs, launched an **ON DEMAND** Gym, and continues to expand her reach through online classes and live workshops. Her impact extends far beyond fitness—she has been honored as one of Shape Up America’s Top 10 Fitness Instructors, led NYC’s Dance Parade as Grand Marshal, graced 2.6 million Nestlé Fitness cereal boxes, hosted Discovery’s Fit TV for five seasons, and delivered an inspiring TEDx Talk. Now, Jain is expanding her mission to the next generation by bringing cultural dance education to public schools.

“As a passionate advocate for fitness and culture, I am thrilled to embark on this new chapter,” says Jain. “By integrating dance into education, we have the power to inspire the next generation while promoting health, happiness, and cultural pride.”
